§ 14-1 Street Naming System Adopted

There is hereby established an official system of street names in the City of Fayette, Alabama, as shown on the map entitled Street Naming and Block Numbering Systems, dated March, 1962, as produced by the municipal planning commission, a copy of which is recorded in the minute book.

(Ord. of Sept. 21, 1964, § 1(a).)

§ 14-2 Names of Streets to Remain Unless Officially Changed

Names of streets in the City of Fayette, Alabama, shall remain as shown on said map unless officially changed by specific ordinance passed subsequent to this date.

(Ord. of Sept. 21, 1964, § 1(b).)

§ 14-3 New Streets - Regulations

No new streets shall be accepted by the city nor municipal improvements made therein until such streets have been named; if they are extensions of existing streets, the existing names shall be continued, and if not extensions, names recorded shall not duplicate or closely approximate street names already assigned.

(Ord. of Sept. 21, 1964, § 1(c).)

§ 14-4 Uniform Numbering System Established

A uniform system of numbering properties and principal buildings, as shown on the map identified by the title Street Naming and Block Numbering Systems which is filed in the office of the city clerk, is hereby adopted for use in the City of Fayette, Alabama. This map and all explanatory matter thereon are hereby adopted and made a part of this chapter.

(Ord. of Sept. 21, 1964, § 2(a).)

§ 14-5 Assignment of Numbers

All properties or parcels of land within the corporate limits of Fayette, Alabama, shall hereafter be identified by reference to the uniform numbering system adopted herein; provided, all existing numbers of property and buildings not now in conformity with the provisions herein shall be changed to conform to the system herein adopted within six (6) months from the date of passage of these provisions.

(Ord. of Sept. 21, 1964, § 2(b).)

§ 14-6 Separate Numbers to be Assigned

A separate number shall be assigned to at least each twenty-five (25) feet of street frontage in the business district and fifty (50) feet in the residential district.

(Ord. of Sept. 21, 1964, § 2(c).)

§ 14-7 Principal Buildings Numbered

Each principal building shall bear the number assigned to the frontage on which the front entrance is located. In case a principal building is occupied by more than one business or family dwelling unit, each separate front entrance of such principal building shall bear a separate number.

(Ord. of Sept. 21, 1964, § 2(d).)

§ 14-8 Numerals to be Visible

Numerals, indicating the official numbers of each principal building or each front entrance to such building, shall be posted in a manner as to be visible from the street on which the property is located.

(Ord. of Sept. 21, 1964, § 2(e).)

§ 14-9 Building Inspector to Administer System

The city building inspector shall be responsible for maintaining the numbering system. In the performance of this responsibility, he shall be guided by the provisions of this chapter.

(Ord. of Sept. 21, 1964, § 3(a).)

§ 14-10 Building Inspector to Assign Numbers

The city building inspector shall assign numbers for each principal building or separate front entrance to such building, constructed on any property in Fayette, Alabama. In doing so, he shall issue only numerals for the number assigned to such buildings, under the provisions of this chapter; provided, however, that the city building inspector may issue additional numerals in accord with the official

numbering system whenever a property has been subdivided, a new front entrance opened or undue hardship on any property owner has resulted from these requirements.

(Ord. of Sept. 21, 1964, § 3(c).)

§ 14-11 Record to be Kept

The city building inspector shall keep a record of all numbers assigned under this chapter.

(Ord. of Sept. 21, 1964, § 3(b).)

§ 14-12 Penalty

Violation of this chapter shall be a misdemeanor and may be punished by a fine of one (\$1.00) dollar to five (\$5.00) dollars. Each separate day such violation is continued shall constitute a separate offense.

(Ord. of Sept. 21, 1964, § 3(d).)

§ 14-13 Standards for Accommodating Utilities on Highways - Adopted

The city council of the City of Fayette, Alabama, hereby formally adopts the State of Alabama Highway Department Standards for Accommodating Utilities on Highway Rights-of-Way as standards (as written and future amendments thereto) for use by the city for accommodating utilities on roads and streets under the jurisdiction of the city on those roads and streets which have or will involve the expenditure of state or federal highway funds.

(Ord. of Nov. 1, 1971.)
