

Adopted Codes

Building and Life Safety Department

205-932-5310

Adoption of Codes

The City of Fayette has adopted the following code series as applicable to the City limits and Police Jurisdiction.

- (a) 2015 International Building Code
- (b) 2015 International Fire Code
- (c) 2015 International Residential Code
- (d) 2015 International Plumbing Code
- (e) 2015 International Mechanical Code
- (f) 2015 International Existing Building Code
- (g) 2017 National Electric Code (NFPA 70)

Amendments to International Building Code

The following portions of the 2015 International Building Code are amended to read;

Section 101.2.1 Appendices. Appendix [appendices] C and G of the International Building Code, 2015 Edition, are adopted and Appendix [appendices] A, B, D, E, F, H, I, J and K are deleted.

Amendments to International Fire Code

The following portions of the 2015 International Fire Code are amended to read;

Section 101.2.1 Appendices. Appendix [appendices] B, C, D and I of the International Fire Code, 2015 Edition, are adopted and Appendix [appendices] A, E, F, G, H, J, K, L and M are deleted.

Section 903.3.7 Fire Department connections. The location of fire connections shall be in a location approved by the fire code official. Fire Department connections shall be located within 150' of an approved water supply."
